

LOWA® Fusion Lo

The ultralightweight Fusion is a true hybrid slip-on with a super comfortable knitted, breathable upper and an aggressive lugged outsole. The PU MONOWRAP® frame makes it super-supportive and stable. Great as a light trail shoe or as an urban everyday shoe. 100% vegan.

DYNAPU®

Maddox

A lightweight, athletically inspired training and trail shoe. The PU MONOWRAP® layer provides stability and support, while the bottom layer provides shock absorption. Sharp edge lugs and a heel brake on the outsole deliver reliable traction on loose terrain. 100% vegan.

DYNA PU®

Malta GTX Lo

Comfort and support that is meant to be worn everywhere, every day. A lightweight, waterproof/breathable GORE-TEX lining makes this shoe wearable all year round. The Malta GTX Lo is designed with a capable lugged sneaker-style outsole, and is crafted in Europe with the quality, fit and innovation of LOWA.
